synthasys ™
management consultants

Is your organization using Cognos™ ?

Synthasys, your **Certified Cognos Consulting Partner**, gives your IS staff and End-users the knowledge to fully maximize the ***POWER*** of your Cognos Reporting and Business Analytic tools.

Why Synthasys Training?

- ✓ **Knowledgeable** Instructors
- ✓ Business Application **Experience**
- ✓ Extremely **Competitive** rates
- ✓ **Immediate Availability**

COGNOS®
CONSULTING PARTNER

What can Synthasys do as a partner for your new project:

- ✓ We can facilitate your software purchase directly from Cognos

- ✓ You can purchase at a discount to OEM vendors

- ✓ You will receive your support **directly from Cognos**, not a reseller assuming support role

- ✓ Implement, Project Manage, Train and Knowledge Transfer

- ✓ You will have the ability to use Cognos products over all of your data, not just Infinium

Synthasys is now your personal Cognos Consulting Partner

Call Synthasys @ 1 877 717 5602 today for rates and availability!!

Why Implement and Project Manage thru Synthasys?

✓ Reduced professional services fees

✓ Consultants with industry experience and extensive knowledge of your ERP data structure

✓ Resources available on your time schedule

✓ Resources to implement Cognos over **all of your data**, not just OEM's

✓ Your business requirements are addressed and executed.
